GRAFDOER
SIMPLY STYLISH

VMS Bath and Kitchen India Pvt. Ltd. has been winning hearts for the past 23 years, serving millions of discerning customers who appreciate fine art and possess a keen vision for elegant interiors. Our brand and products are renowned for Innovation, Reliability, Usability, Fashion, Design, Trust, and Durability. Supported by the trust of our valued consumers, we have carved a special place in their hearts and homes.

Driven by our passion for Research and Development, we continuously introduce a wide range of innovative products that resonate with the evolving trends of the modern world. Our commitment is unwavering—to emerge as market leaders and trendsetters in the industry.

Our extensive collection includes Bathware, Sanitaryware, Kitchen Sinks and Faucets, Bathroom Accessories, and more, carefully designed to meet diverse customer needs. We cater not only to art enthusiasts with a taste for aesthetics but also to those mindful of budget constraints. Every home is a unique blend of emotions, detailing, and personal pride, and this is where GRAFDOER plays a pivotal role—expressing these feelings, aesthetics, and connoisseur taste through our products. Over the past two decades, we have become a symbol of non-verbal communication, helping customers showcase their refined sense of style by adorning their homes with the finest.

Our precision-driven manufacturing process, supported by stringent internal quality checks, ensures that every product matches customer expectations in terms of material, design, usability, and finishing. We are committed to delivering products that endure as long as the homes they enhance—this is our uncompromising mission.

VMS Bath & Kitchen India proudly presents this Catalogue as a testament to our promise: to offer the finest range of Bathware, Sanitaryware, and Kitchenware. Choose the best for your home and become a proud ambassador of GRAFDOER, communicating your personal aesthetics to the world.

Wishing prosperity and good health to every home, and may our products continue to bring comfort, elegance, and joy to your living spaces.

FAUCETS

Incredible precision and control towards flow of water is a result of cutting-edge engineering in Faucet design. Every aspect of production from core making to electroplating is carried out in a controlled environment to ensure a perfect output.

Casting

High quality brass is casted in poured in moulds that ensures uniform casting of brass faucet body.

Machining

Machining is carried out using high precision equipment that gives longer life and Durability to faucets.

Buffing

Fine Curves and smooth surface is achieved through careful buffing.

Electroplating

Dazzling finish of Dura Shine is a result of our special Chrome electroplating technique.

SANITARY WARE

World Class quality of products is achieved through impeccable attention to detail - right from meticulous selection of Raw Material, and maintaining the right composition. Precision continues through perfect casting process and finally through accurate firing temperature.

Moulding

To give shape to perfect sanitaryware, the mould is carefully crafted by Grafoer Ceramic Experts.

GRAFDOER proudly unveils its latest innovation: a range of premium switch-button thermostatic diverters. Engineered for modern luxury bathrooms, these diverters offer seamless control over multiple water outlets, enhancing both functionality and aesthetic appeal.

Key Features:

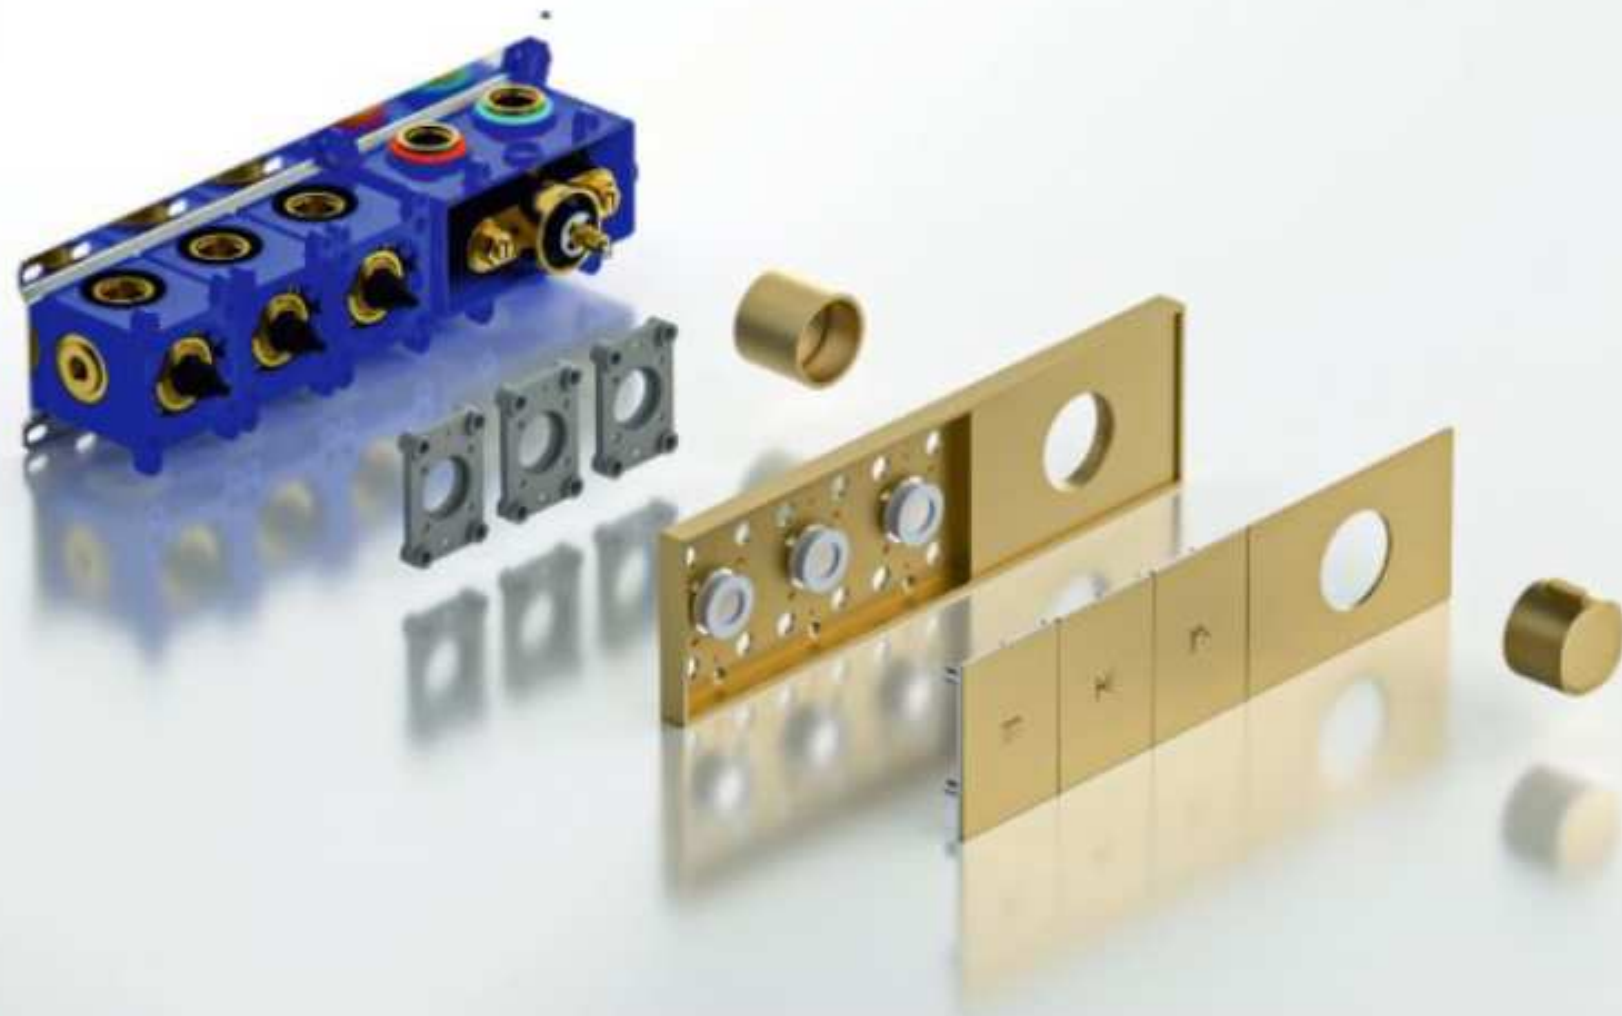

Multi-Outlet Control: Available in 3, 4, 5, and 6 outlet configurations, allowing simultaneous operation of multiple water sources such as overhead showers, hand showers, body jets, and bathtub spouts.

Switch-Button Operation: Intuitive switch-button design ensures effortless switching between water outlets, providing a user-friendly experience.

Thermostatic Temperature Control: Maintains a consistent water temperature, preventing sudden fluctuations and enhancing safety during use.

Premium Build Quality: Crafted from high-quality materials, ensuring durability and a sleek, modern finish that complements contemporary bathroom designs.

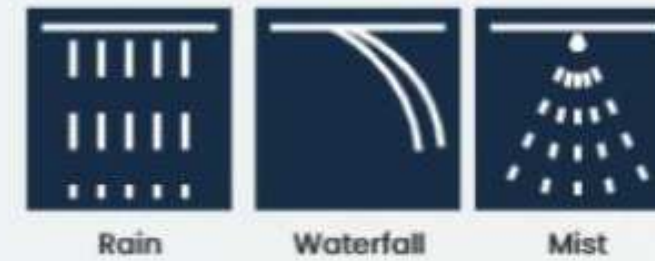

With GRAFDOER's new diverters, transform your bathroom into a sanctuary of comfort and style, where advanced technology meets elegant design.

In today's fast-paced world, where every moment of self-care matters, the bathroom has evolved from a purely functional space into a personal sanctuary. Understanding this shift, GRAFDOER presents **Chromotherapy**, an innovative LED Ceiling Shower that redefines the way you experience water.

Chromotherapy blends cutting-edge technology with elegant design to create an immersive bathing experience that engages all senses. It's designed for those who seek more than just a shower—those who desire relaxation, rejuvenation, and a touch of indulgence in their daily routine. Whether you wish to unwind after a long day or invigorate your senses in the morning, **Chromotherapy** offers customizable comfort with supreme convenience. Built to harmonize with modern bathroom aesthetics, this advanced ceiling shower offers effortless operation, smart features, and durable performance, making it an essential addition to any premium home.

Key Features:

3 Distinct Shower Modes:

Rain

Waterfall

Mist

Remote Control Convenience: Effortlessly switch between modes, adjust LED lighting colors, and set your preferred ambiance—all at the touch of a button.

LED Chromatic Lighting: Integrated LED lights enhance your mood and create a calming atmosphere, perfectly complementing your shower experience.

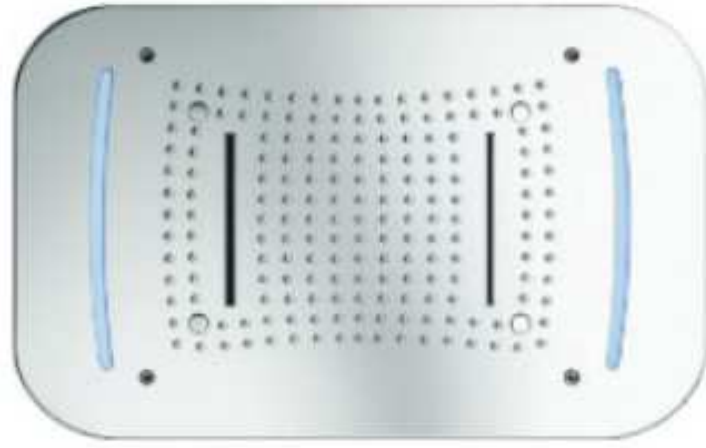

Premium Build & Design: Crafted from high-grade stainless steel with a sleek, modern finish to add sophistication to any bathroom.

Generous Size: Large 680mm x 430mm (27"x17") ceiling panel providing full-body coverage and indulgent comfort.

TEFLON TAPE

TEFLON TAPE | MRP: (₹) 30/-
High Grade Professional PTFE Teflon Tape

SPECIFICATION

Width	12mm (1/2")
Thickness	0.1mm]
Length	10m
Density	50g/cm ³
Composition	100% PTFE
Temperature Range	-190°C to 208° C
Tensile Strength	8N/mm ²
Elongation	50% min
Pressure Resistance	up to 30Bar (2.0 MPA)
Chemical Resistance	PH:0-14

HIGH GRADE PROFESSIONAL
PTFE **TEFLON TAPE**

TO BE USED AS →

WATER • OIL • GAS • AIR
INDUSTRIAL FOOD PROCESSING
WHERE NON CONTRAMINATION
